

## AS THE SESSION COMES TO A CLOSE...

The Fall 2018 Session is almost over, and the Fromm Institute Admin team is busily preparing for the end of the year and the start of the Winter Session. So busy in fact, that we just realized you all will be taking a break from us soon. Before our melancholy sets in, and before you leave us, there are a few things to keep in mind:

### WINTER SESSION ENROLLMENT

In the last few years, the Winter Session has been extremely popular. Catalogs will be mailed and posted online on November 6 – the same day that enrollment opens to everyone. Please consider signing up before November 9 to ensure that you are not closed out of your favorite classes. Remember, you can always drop a class, but you will not be able to add a class after it is closed. If you think a specific class or professor will be especially popular, sign up for it now. Once you get the catalog, you can always drop that class to add something else.

### HOLIDAY SESSION ENROLLMENT

As this version of the Fromm Focus is being prepared, we have sold more than half of the seats for each day of Holiday Session. *Only 64 seats remain* for lectures and lunch on **Tuesday, December 11** – a **Day of Music** with Prof. Bisno's lecture on "The Johan Strauss Family – Their History and Music," and Prof. Foglesong's "French Connection: Faure, Debussy, and Ravel." **Wednesday, December 12** is a **Day of Politics** and *only 77 seats remain* for Prof. Rothmann's "After the Mid-Terms: What Next?" and Prof. O'Sullivan's discussion as to "Why Watergate Still Matters." Don't forget that lunch is included along with the food for thought on both of these days, and your purchase includes a contribution to the Fromm Gerontology Scholarship granting a deserving USF Junior a \$5,000 scholarship toward their Senior year tuition. \$40 of each ticket purchased is tax-deductible. Stop by the Fromm Institute office to purchase your tickets before they are gone.

### GIVING

The Fromm Institute counts on your philanthropy for approximately one-half of our annual budget. As 2018 comes to a close, please consider a contribution to our annual fundraising campaign, join the Alfred and Hanna Fromm Legacy Society, or simply remember us on Giving Tuesday (November 27, 2018). To donate to the Fromm Institute or to ensure our future through your estate plan, call us at 415-422-6805, or visit <http://fromm.usfca.edu/giving.html> and click on the '**DONATE TO FROMM**' box at the top of the page. Thank you for your continued generosity.

### THANK YOU

As we end the session, the Fromm Institute Administrative team joins me in thanking all of our members for an enjoyable, gratifying Fall 2018 Session. Our faculty leads rewarding classes, and we know you join us in thanking them for that. One of the things that makes the Fromm Institute so special to so many is the community here. Each one of you play a part in that. In a world where generosity and kindness are often lacking, we are all truly blessed to come to the Fromm Institute regularly where those things are common occurrences. Thank you all for the community you help to create here – we look forward to making it happen every Session.

Derek S. Leighnor, Fromm Institute's Executive Director

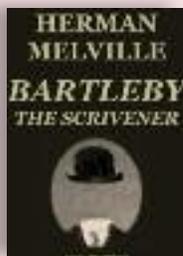

# FROMM'S FINAL MEDICAL LECTURE IN THE SERIES

## BOOK CLUB READING
